

COMPANY OVERVIEW

M&D Property Solutions Inc. provides interior renovation and systems upgrades, including radon mitigation, for commercial and government clients. Since 2017, we've built a reputation for delivering quality, efficient work that meets client needs and expectations.

M&D Property Solutions Inc. provides interior renovation solutions and services for both commercial and government agencies. We specialize in renovation projects of all sizes across the United States—from fixture installs to full rebrands and radon mitigation. With hands-on project management, we keep agencies and businesses running smoothly while delivering efficient, customized solutions with minimal disruption.

CORE COMPETENCIES

- Interior Renovation
- Flooring
- Rebranding & Graphics Installation
- Fixture & Furniture Installation
- Painting
- Drywalling
- Demo & Disposal of Existing Fixtures
- Radon Mitigation

DIFFERENTIATORS

When commercial and government agencies need renovation work done— and they need partners they can trust to get it right the first time. But too often, renovations lead to delays, rework, or interference with day-to-day operations.

M&D Property Solutions Inc. brings hands-on project management and an efficient, boots-on-the-ground approach to ensure projects are completed correctly, in a timely manner, and with minimal impact on client operations. From fixture installs to full-scale renovations, we deliver high-quality results without slowing our clients down.
